Kids Photo or Picture Competition

We'd love to get a view of the festival through our younger guest's' eyes, so this year we're running an additional photo and picture competition for festival guests aged 16 years and younger. If you'd like to enter, please get permission from your parents beforehand. To enter, take a photo of the part of the festival that you liked best or draw or paint a picture of the festival. Email your photo or picture to marketing@elyfolkfestival.co.uk by 31st July 2018 explaining why you thought it captured the best bit of the festival, along with your name and age. The winning entry selected by the festival committee will receive a book voucher for £25.
