Most of the duties are in pairs

When will you be arriving? *

When will you be leaving? *

This is to enable me to plan the rota most efficiently and to share the duties as fairly as possible. I do try to avoid programming stewards for more than one late night over the weekend (unless you ask me for late shifts!) but some duties (eg Stages) only happen in the afternoon and evening.

First choice team preference

Second choice team preference

Third choice team preference

Please refer to the 'Team' section of "Being a steward at Ely Folk Festival" for info on each team's tasks. Most stewards will be a member of one team for the whole weekend. Some teams are much larger than others (eg Gates) whilst others may need some specialist skills & experience (eg Box Office) and occasionally it may be necessary for someone to be part of more than one team. I do my best to give you your first choice, but no guarantees.... not everyone can be in Marquees!

Any artists that you would particularly like to be able to see at Ely?

When the programme is settled, I'll do my best to ensure that you are either free or working on that stage/ arena when they are performing.

Are you staying on site at the festival? *

Will you be bringing a dog with you? *

Tent Campervan Caravan Not on site

Dogs are welcome and can accompany you on most duties. You will need to register them at the Box Office as soon as you arrive on site and they must be kept on a short lead around the site.
